## WORN ONCE, NO TEARS, NO STAINS

Sandy Smith

25/06/11 – 26/06/11  
Private View 24/06/11 6–9pm

What could be the problem with revealing everything always?

It wouldn't leave anything for us to do.

This problem lies at the heart of the artwork in this exhibition of video, text and wall-works by New York based artist Sandy Smith.

Space In Between are delighted to present this brief expose of Sandy Smith's on-going interest in the materialization of human desire and aspiration.
