

## *Edit / Undo*

Damon Zucconi, Leo Fitzmaurice, Paul Flannery and  
Alastair Levy

16/01 – 14/02/15

Space In Between is delighted to present *Edit/Undo*, a group exhibition of new work by Damon Zucconi, Leo Fitzmaurice, Paul Flannery and Alastair Levy. At its root, *Edit/Undo* is a project exploring the activities of observation, intervention and archiving. The exhibition features work that stands as relics of performative processes and as symbols to shift the way that we think about the unspectacular and the mundane. *Edit/Undo* represents these four artists' shared curiosity in the nature of quotidian ephemera and the possibilities arising from their transformation.

Space In Between would like to thank Alastair Levy for bringing this project to our attention and for coordinating the artists involved. We would also like to thank Ellen Mara De Wachter for her involvement and her accompanying essay, *Some Past State*.
